

# INTRODUCING A UNIQUE AND COMPLETE DISINFECTANT SERVICE BY MICROSEAL NEW ZEALAND

## STOP THE CYCLE NOW

### WHAT WE OFFER

A very unique service where our trained specialists, while adhering to all social distancing and safe practice measurements, will meticulously disinfect any any work or play space where people gather.

EG: gyms, public transport, schools, hospitals etc.  
Our Specialists will use state of the art ULV Sprayers filled with specially sourced EPA approved Disinfectant.

**Our Disinfectant Kills most  
Viruses, Bacteria & Fungi **within 10 Minutes,**  
including SARS-COV-2 which causes COVID-19!**

**Let's do our bit to make our country  
100% PURE NEW ZEALAND  
again!**
